

# KLEEN-SCRAPE

## THE MULTI-PURPOSE RUBBER MAT THAT IS GREASE, OIL AND SOLVENT RESISTANT

In addition to outdoor uses, the Kleen-Scrape performs outstandingly well in wet areas, changing rooms, kitchens, in front of beverage machines or in production areas. With its variety of features such as grease, oil and solvent resistance, heat and cold resistance and an extreme robustness, you won't want to be without the Kleen-Scrape. This 100% nitrile rubber mat with a chevron pattern lies perfectly flat thanks to its weight and flexibility. Also referred to as a "Tuffscuff Mat".
